## **2022 Community Rewards Customer Registration Form**

### **Community Rewards opens June 1st, 2022**

**First Federal Community Rewards** is a community-based program that is designed to help our customers earn funds for the nonprofit organizations where they give their time. For every hour you volunteer, we'll contribute \$2 to the organization. The more time you volunteer, the more rewarding your service.

As a volunteer you must track your active volunteer hours on a First Federal Community Rewards time card and submit it to the registered nonprofit organization before the 1<sup>st</sup> of the month following the program start date. Your organization(s) will receive a contribution at the close of the program based on the total number of active volunteer hours submitted monthly to our Community Impact Coordinator.

Participating Yamhill County nonprofit organizations are eligible to earn up to \$500 in any given year. The total donation amount is based on the number of active volunteer hours submitted by First Federal customers during the time the program is open. The First Federal Community Rewards program closes when the 10,000th hour of volunteer time is received. Visit [www.FirstFedWeb.com](http://www.FirstFedWeb.com) for complete information on the program.

### ***How to Participate...***

1. You must be a First Federal customer. If you're not a customer, visit a local branch to open an account.
2. Download a Customer Registration Form, fill it out and return it to First Federal.
3. Track your volunteer time on our time card. Please use one time card for each organization.
4. Turn in your time card to your nonprofit organization(s) weekly or before the first of the month (showing hours worked after the designated annual start date).
5. Organizations will turn in the time cards to First Federal using the Community Rewards Time Card Cover Sheet. Submit the completed time cards weekly or no later than the 1st of the month.
6.
