

FIRST FEDERAL SUPPORTS DIAPER DONATIONS

First Federal participated in the “Banks for the Bank” Diaper Drive for local nonprofit, A Family Place, during October and collected 7,794 diapers and \$120 in cash donations. The drive brought in a total of 11,000 diapers.

First Federal partnered with Serendipity Ice Cream, a division of MV Advancements, to provide community members who donated diapers to any First Federal branch, a coupon for free ice cream.

In addition to First Federal, the following McMinnville banks also participated: Bank of America, Chase, Citizens Bank, Columbia Bank, First Community Credit Union, Heritage Bank, KeyBank, and OnPoint Community Credit Union. A Family Place is very thankful for the banks’ and communities involvement.

A Family Place helps reduce childhood abuse, neglect, and foster placements in Yamhill County by providing resources to families. Families in need can obtain a 3-day emergency supply of diapers (only being eligible once a month). They also support at-risk families by offering free professional home visiting, parent education, and specialized preschool for children ages 0 to 5 – the time research shows these programs to have the greatest long term impact on children’s development.

When First Federal was founded in 1922, they offered a new banking choice for Yamhill County residents. In the years since, they have grown in size, products, and services, but their commitment to their customers and community has remained the same. They aim to provide superior banking products and services, and to promote home ownership and business vitality by reinvesting in Yamhill County. Since 1999, First Federal has donated more than \$2.6 million to local nonprofits. Donations are made through the Customer Ballot, Community Rewards, Scholarship and Internship Programs, as well as through numerous local organizations and event sponsorships.
